Dear Dusty,

On behalf of the Rotary Club of Austin and the Helping Hand Home for Children...I want to stop a moment and thank you for publicizing our "All-Star" Art Auction last night. Even though the final numbers aren't in yet...the event was a resounding success and we appreciate your help very much.

It's not too often that I'm able to say "thanks for a job well done" to the people we do business with. Lang,

I wanted to share with you and your team the final number of Casas for CASA. With your help we were able to raise over **\$61,500!** What a record effort when we needed it the most. This funding will help us extend a hand, heart and voice to 50 abused and neglected children in Travis County.

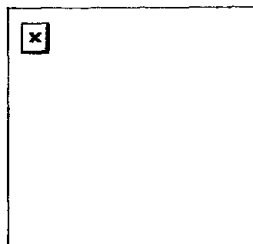

Thanks so much for you and your team's help in keeping the spirit, enthusiasm and awareness of Casas for CASA throughout the duration of the event. We cannot thank you enough for all you helped us accomplish for this event!

If you would like to conduct a meeting or conference call to recap the event, please let me know and I can help facilitate it from our end. Also, be on the look out for a packet from our office which will include a publicity kit.

Thanks again for your all your team's effort and dedication to make this a successful event! It was truly a pleasure working with you and your staff—very fun and creative! Hope you all enjoy the plaque of your Jammin 105.9 Cruise Ship! As you know, the Ronald McDonald House and their children are delighted to have the boat donated to them.

Please call me should you have any questions or concerns. Have a great rest of the week!

Dear Scotty,

We had a terrific race on July 3 and everyone who participated got a hand-fan and two lucky runners were given the higher value items donated by your radio station. Your generous donations were highly appreciated by the recipients. The fans were distributed to Rollingwood residents gathered at Zilker Club house to watch the July 4 fireworks and were USED by all! We are all fans of your (hand) fans and your station!

Rollingwood celebrates 25 years of revelry with first 5K Fun Run/Walk

By CATHERINE HOSMAN
Staff Writer

To celebrate the 25th anniversary of the city of Rollingwood's Fourth of July Parade, the Rollingwood Women's Club sponsored the first 5K Fun Run/Walk on Thursday, July 3 at 7 p.m.

Small children, seniors, parents with babies in jogging strollers and seasoned runners made up the 140 registered participants.

Flo Macklin, grand marshal of the 2003 Rollingwood Fourth of July parade, and a senior participant, sounded the starting horn at 7 p.m. In the blink of an eye, the group took off on the first leg of the event down Gentry Drive to Rollingwood Drive. A little more than 18 minutes later, Rollingwood resident Joel Harris, 23, crossed the finish line.

"This is a great time for our first-ever event of this kind," said Rollingwood Mayor Thom Farrell, who was slightly winded from just completing the race. "It's another little thing that our city has, and it's not just a Rollingwood deal. The chair of the parade committee is Cindy Culler, a West

Lake Hills resident. And Flo Macklin, our grand marshal, also lives in West Lake Hills. All our events are open to the community. In fact, a good part of the runners from West Lake Hills and the city of Austin."

Each participant was handed a gold medal on a red, white and blue ribbon as they finished the race. Once they caught their breath, they enjoyed a buffet of pizza, baked goods and beverages donated by area businesses (see Page 7).

Shanti Jayakumar, co-chair of the event, was overwhelmed by the participation of residents, support of the police and city council and generosity of the business community.

"We put this together in less than three weeks," she said. "We handed out fliers personally to all the houses. We taped them to mailboxes. Everything had to fall into place, we didn't have time to plan."

From the city of Rollingwood to businesses in Austin and beyond, everyone Jayakumar spoke to was eager to help.

Everyone loves a parade

For the first time in the 25-year history of the Rollingwood Fourth of July Parade, rain fell during the city's annual celebration of America's birthday. Nevertheless, it went off without a hitch to the delight of hundreds of spectators. In photos, clockwise from top left, Paulina Pospisil is accompanied by her patriotically-clad pet, Sandy; Eanes Elementary School second-grader Hanna Craddick tastes a slightly soggy hot dog after the parade; the parade comes to a climactic conclusion as spectators cheer on participants at Rollingwood Municipal Park and Rollingwood's resident clown Jim Little entertains crowds at the post-parade party.

First Rollingwood 5K run draws 140 participants

Dear Editor:

Many clichés were shattered on July 3, 2003, in our small community of Rollingwood, Texas, population 1,450. It is no longer true that you need (though it does help a lot) big bucks and/or important "connections" to have "big things" happen in a small community. With the active participation of Mayor Thom Farrell, the City Council, the police, neighborhood businesses, volunteers and a band of dedicated women, the Rollingwood Women's Club launched the first-ever 5K Fun Run/Walk to celebrate the 25th Fourth of July parade and to raise funds for the beautification of the city.

At 7 p.m. when Flo Macklin (parade marshal for the 25th Annual parade) blew the horn to start the race, there were 140 registered participants from ages 7 to 75 raring to push off from the starting line. The race was not officially timed, but those who completed the course were "placed" in the order in which they crossed the finish line.

The lead male runner 23-year-old Joel Harris finished the challenging 3.1-mile race in 18:34 minutes, the lead female Laurie Mills finished in 23 minutes. Our senior-most walker, Flo Macklin finished in 1:00:3 and this was with stops to take photos along the route!

The Race Committee would like to thank the following:

Rollingwood Mayor Thom Farrell, police department (especially Chief Larry Vann and officers Dayne Pryor and Clint Garrison); Rod Newlin of Run-Tex for lending us race accessories and moral support; for post-race refreshments, Andy Cook of Mr. Gatti's Pizza and Mr. Everett Clements of Randalls on Bee Cave Road for the beverages. A special thanks to the following businesses for providing us with awards: Austin Rock Gym, Barton Creek Square Mall, Barton Springs Nursery, Central Market (South), Goodyear Gemini, Great Harvest Bread (both on Bee Cave Road), KVET-AM 1300 FM

98.1, Lone Star Riverboat, Mozart's Coffee Roasters, Once Upon A Family, Sam's Club (Brodie Lane), Sports Clips (Bee Cave Road), Supercuts, Thundercloud Subs (Bee Cave Road) and Tyler's Sports. We are grateful to Kinko's on Bee Cave Road for their complimentary printing of our fliers, to Kid Genius for the medals that were a big hit with all age groups and to Franklin Bank for the coin purses.

Finally, a big thank you to Leticia Sherman for leading the pre-race warm-up, to David Scher and Carol Lott for music, David Thomas for being the announcer, Hanna Morgan lead escort vehicle and the race monitors for ensuring the safety of our runners. Thank you one and all for your support and encouragement.

Radio-Thon Raises

"Miracle Month" was the theme for May 2003 at KVET as we kicked off our 4th Annual Radiothon. This year KVET raised money for the critical need of purchasing surgical equipment so that the Children's Hospital of Austin could continue to meet the needs of the community of 46 counties served by the hospital.

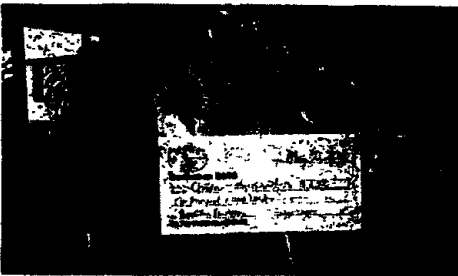

This year, listeners could participate through a variety of campaigns: Change Bandits, a community collection program, Sam & Bob Pin Ups and match remotes. KVET listeners were asked to collect their spare change in Change

Bandit bags and containers and return them to Washington Mutual Banks throughout our listening area. Sam and Bob \$1.00 Pin-Ups were sold at Pinky's Wireless and A-Line Auto Parts.

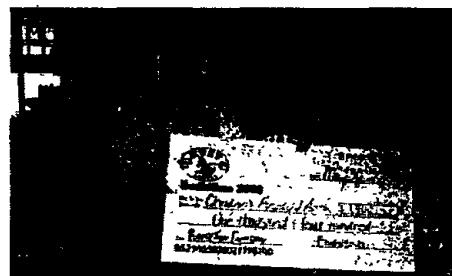

Proceeds from the 7th Annual Crawfish Classic at Carlos & Charlie's, "passing the hat" at our free Texas Music Series at Hills Cafe, and matching funds remote broadcast at First State Bank all lead up to our live broadcast from Children's Hospital of Austin on Thursday, May 29th and Friday, May 30th.

The song, "Smile of A Child," written by

David Ramos of Lost Wolf and Nancy Turco was recorded at the Promise Land Studio by Sammy Allred and Nancy Turco. Children's Hospital of Austin was a gracious host to KVET as we converged on their lobby with an entourage of KVET staff. Our Engineering Department played a huge part in orchestrating the broadcast itself. An added feature this year was "Joey the Intern," who camped out in a pup tent on the topmost level of the Hospital's parking garage and refused to come down until we reached our goal of \$200,000, which DID
